

Material:	High strength polyurethane (HSPU)
Grade:	w1002
Manufacturer:	High strength polyurethane (HSPU)
Properties:	1. High strength and durability (ASTM F2413-05 M i/75 C/75 CE ENISO 20345 High strength polyurethane) 2. Excellent resistance to abrasion
Weight (per square meter):	1. High strength and durability (ASTM F2413-05 M i/75 C/75 CE ENISO 20345 High strength polyurethane) 2. Excellent resistance to abrasion
Color:	Black
Thickness:	Black
Width:	Black
Length:	Black
Material:	High strength polyurethane
Material:	HPU
Material:	Black
Weight:	4–12 (38-46)
Material:	5 High strength polyurethane
Material:	High strength polyurethane 10
Material:	
Material:	2000mm/1x20' High strength polyurethane 5000mm/1x40' High strength polyurethane
