EC Type Examination Certificate

Approved Body 0362

The safety feature detailed
herein meets the criteria of
an EC Type Examination in
accordance with Article 10 of
the PPE Directive
(89/686-EEC) including
amendments and
corrigendum (OJ L 111
14/12/2013) for intermediate
design category products.

This has been shown
through satisfactory testing
to EN ISO 20345: 2011 and
examination of the Technical
File Documentation.

Following an EC Declaration
of Product Conformity you
are hereby licensed to mark
the product(s) detailed in
accordance with Article 13 of
the PPE Directive
(89/686-EEC).

This joint issue of the examination certificate is a mutual agreement by Intertek and the manufacturer that the manufacturer's responsibility and liability are transferred to Intertek and no longer lies with the manufacturer. Any claims by any party against either of the signatories to this agreement, or any other person, in respect of damage or loss suffered by the user of this Certificate, shall be referred to the manufacturer. This Certificate is issued in accordance with the agreement between the manufacturer and Intertek, which is reflected in the agreement reflected in the agreement reflected in the Certificate. Any further use of this document, using the data or information on the front, material, product or service, must be authorised in writing by Intertek.
