

Product Description

Advantages of PU creativity sole:

1. New technical PU injection sole. super lightweight.
2. We can make the sole appearance same as MD (moulded) sole, but we are injection, they are cement.
3. The connected border is more tidy and clean.
4. The shoe of cement MD sole degum easily.
5. Put on our shoe from now on to say"BYE BYE" to degumming sole.
