## **Product Description**

## Advantages of PU creativity sole:

- 1. New technical PU injection sole. super lightweight.
- 2. We can make the sole appearance same as MD (moulded) sole, but we are injection, they are cement.
- 3. The connected border is more tidy and clean.
- 4. The shoe of cement MD sole degum easily.
- 5. Put on our shoe from now on to say"BYE BYE" to degumming sole.

Product Name:	PU injection super lightweight fashionable sport hiking safety shoes workshop
Item No:	BTA026
